Siddhachakra Weaving Pvt. Ltd.

WHERE PERSISTENCE MEETS QUALITY

Years of Excellence in Fabrics

Who we are

Siddhachakra Weaving Pvt. Ltd has been established since 2011, Badiya Fashion has been a parent company of Siddhachakra weaving Pvt.Ltd. It was established on 13th July 1991 by name of Aadeshwar Synthetics Pvt.Ltd. Earlier we were located at Gheekanta Ahmedabad which is manchester of India. Shirting Fabric was our first initiative in textile industry '**where persistence met quality**' since then we gradually reached new heights by diversification in feild of cotton denims, pigment dying, pigment brasso to the dress material suppliers of well known companies in India which was started in 1998.

Suiting Fabrics Was started by procuring gringe from weavers, further process is conducted at reputed process house and mills which was started in 2002.

As we firmly belive quality culture, innovation and customer satisfaction is the best business strategy.

Our expertization in field of textile we gradually did backward integration in suiting fabrics which helped us to built manufacturing weaving unit.While manufacturing, we pursue technological advancement in order to keep the pace with the fast-developing infrastructure in India.

We have our designing experts who have goble experince of different type of fabrics which follows majorly mexican, milano, chinese fabric etc..

Our machinery was bought from Columbia, initially we started with **29 shuttleless powerlooms** from company so called fabricato.

In 2017 we installed **12 new high tech devices**, shuttleless powerlooms which were bought from Turkey, Bossa mills thats our latest expansion in our business, we even have corduroy cutting machines and warping machines.

Based on miraculous credibility and quality has empowered us to grow at par with international standards of designing and manufacturing the suiting fabric so we are able to cater **15 top leading international brands of India.**
